TRIPLE J AND MAKE-A-WISH ANNOUNCE VEHICLE GIVEAWAY AS PART OF 30TH ANNIVERSARY GALA HIGHLIGHTS

Make-A-Wish Board and Sponsor representatives at the Press Conference on Monday, July 30th at the Triple J Main Showroom, left to right: John Antenoracruz - Managing Director, TITAN Imports and Make-A-Wish Board Member; James Santos - Senior Manager, Visual Merchandising, DFS Group and Make-A-Wish Board Member; Joaquin Cook - President, Bank of Guam and Make-A-Wish Board Member; Kamia Dierking - Director Marketing & Communications, GTA Teleguam and Make-A-Wish Board Member; Ana Maria Gayle - Attorney, Office of Public Defender and Make-A-Wish Chair; Jay Jones - Senior Vice President, Triple J Auto Group and Make-A-Wish Vice Chair; Nathan Taimanglo - Chief People Officer, Docomo Pacific and Diamond Sponsor of the 30th Anniversary Gala; Leslie Charfauros - Account Executive-Enterprise Sales, Docomo Pacific.

This year marks Make-A-Wish Guam & CNMI's 30th anniversary. Thirty years and 288 magical and life changing wishes that have been granted to our islands' children. Wishes that have brought joy, hope, and treasured memories to seriously ill children and their families.

"Historically we grant one wish per month, but this calendar year alone, we have granted thirteen wishes and still have another month left to get more referrals," said Eric Tydingco, President & CEO of Make-A-Wish Guam & CNMI Chapter. Annie Gayle, Chair of Make-A-Wish added that, "Wish families have reported that wishes go beyond a one-time event and have had a real impact on their lives. Wishes can add to the wish kid's quality of life, it provides them with renewed energy and vitality, it creates a stronger sense of well-being within the child, and it give families a greater sense of closeness in the face of adversity."

Make-A-Wish relies on the generosity of the community and its corporate partners to continue their mission of granting wishes in Guam and the CNMI. One of their signature fundraising events is their annual gala, and planning is underway to celebrate their 30th anniversary milestone. The gala was held on Saturday, August 25, 2018 at the Hyatt Regency Guam. This year's theme "Evening of Wishes", celebrated the stars of yesterday, today and tomorrow - our wish kids, our partners, donors and volunteers who have helped make all the wishes possible. It included a five-course plated dinner and open wine table service, live entertainment and raffle prizes throughout the evening. There was also a special guest who attended the gala event, Mr. Tommy Austin, one of the original founders of Make-A-Wish. The highlight of the Gala was a chance to win a 2019 Kia Soul EX with a retail value of \$25,000, compliments of Triple J Auto Group.

"A love of community is one of Triple J's deepest values, and partnerships with organizations like Make-A-Wish connects our group to our community in very meaningful ways," said Jay Jones, Senior VP of Triple J and Vice Chair for Make-A-Wish® Guam & CNMI Chapter. "Triple J is honored to help the Guam & CNMI chapter raise funds to fulfill its mission to grant wishes and allow these children to focus on something other than their medical routines, and just be a kid again."

This donation is to help ease their logistical burdens so they can focus, more importantly, on the well being of the organization as a whole."

Ivan Shiroma, President of GNYFF added, "It is critical for us to have the support of the community and sponsors like Triple J Auto Group help us to continue to provide a safe and positive environment for youth to learn essential life skills like dedication, teamwork and sportsmanship, and to become better individuals both on and off the field. We have over 350 players and cheerleaders in our now 8-team league, so it is crucial to have the support of the community at large."

TRIPLE J FIVE STAR WHOLESALE FOODS ANSWER THE CALL

Triple J Five Star Wholesale Foods, Inc. donated 10 pallets of food to The Salvation Army Food Pantry. "We are honored to provide support to The Salvation Army, assistance is more important than ever for those facing financial hardships. While this is a small gesture in comparison to what the organization continues to do for our community on a daily basis, making this donation to their food pantry will provide hope, in the form of food, to those in our community who need it the most", Jim Herbert, General Manager, Triple J Five Star Wholesale Foods, Inc.

"The Food Pantry serves Guam throughout the year. People who need food assistance increase during times of crisis such as Typhoon Mangkhut. This generous donation from Triple J will go a long way in providing added selections to our clients. We are very grateful that they answered our call. Through our newest advisory board member, David White of Granite Obayashi, the food will be delivered through trucks provided by LMS Inc. We are thankful for the combined effort by the business community," said Major Tom Stambaugh, Guam Corps Officer & Micronesia Coordinator.

The Salvation Army Guam Corps started on September 1992 in the wake of destruction left by Typhoon Omar.

Since then, the Guam Corps has helped tens of thousands of islanders. We've grown from Emergency Disaster Services to include so many other services that help our island community 24/7/365. We help give a hand-up to those in the most need, in Guam.

TRIPLE J MATCHES EMPLOYEE DONATIONS TO TOYS FOR TOTS TO HELP BRING JOY TO MORE FAMILIES THIS HOLIDAY SEASON

During the holiday season, we often have our Christmas list ready with names of family and friends. This year, Triple J partnered with the Marine Corps - Toys for Tots program, to bring the joy of Christmas to children who are less fortunate. Triple J invited all its employees in Guam and the CNMI, to make a child's dream come true by donating a new unwrapped toy and dropping it into the designated collection boxes at Triple J group locations in Guam and the CNMI. Employees were also able to make a monetary donation, which the company matched donations - toy for toy, dollar for dollar.

"The U.S. Marine Corps and the Toys for Tots program truly embody our mission of Customers First in thought and in action, with such great need in the communities in Guam and the CNMI, their work is more important than ever," said Jeff Jones, President of Triple J. "We want even more companies, along with their employees, to feel inspired to donate, knowing their one donation will actually mean two gifts for children in need."

This annual toy collection program provides a toy or gift item to a child (ages 0 - 17) in need at Christmas. Toy collections officially began on October 1st and ends on December 14th. On November 18, 2018, at the Annual Triple J Bubble Color Run, Toys for Tots set up a booth to collect toys from runners and volunteers. On December 10, Triple J employees got to help pick out the matched donation to give to Toys for Tots. The Jones Family were also presented a certificate of appreciation from SSgt Britny Brown from the U.S. Marine Corps and the Toys for Tots program at the annual Triple J Employee Christmas party.

MUSTANGS TAKE HOME WIN FOR THE 4TH ANNUAL TRIPLE J HIGH SCHOOL FOOTBALL ALL-STAR GAME

Triple J Auto Group hosted the 4th Annual Triple J High School Football All-Star Game on November 10th at the Angels Field in Dededo. The best players of Guam's high school gridiron strapped it up one more time to end the 2018 season. The current teams for the 2018 game were split with the eight teams of the GNYFF equally divided. Each and every All Star Game has gone down to the wire! Quarterback Daniel Phillips led the throw for two touchdowns and ran for two in his high school farewell. Quarterbacks have historically dominated the events with the All-Star Game rules in play where there is no blitzing.

The Mustangs had a lot of playmakers and versatile stars on their roster starting with their first overall pick. Running back Kein Artero is coming off a 1000-yard season, which made him an easy choice for the 1st overall pick in the draft. Artero put up big numbers in 2017 totaling 102 yards from scrimmage.

The Raptors were built with hard-nosed football players with a dangerous defense. From the big men in grinder Jose San Miguel and Noah Rosalin, who play on both sides of the ball, the big boys on the block are ready to weigh down their opponents.
