Davey Camacho
30 year

Davey Camacho has served 30 years with Triple J Motor Honda/Acura dealership, and currently operates as an Auto Technician.

He started working with DMS under J&G Corporation in 1981 as a Lot Attendant under the Used Car division for Nissan. In 1984, Mr. Bob Jones established the Subaru division with Triple J, and it was then Davey started his service with Triple J Motors. "Willy Miranda asked me to stay on with the opening of Subaru and promoted me to Auto Technician," said, Davey.

Technology and new car innovation continue to challenge the seasoned Triple J technician. "Vehicles are always changing. And, we must always move along with that technology. I started working on vehicles with carburetors. Now we have hybrids," says Davey.

Many have asked Davey if he was retiring anytime soon, but his perspective is as long as he can still work and stay healthy, he'll dedicate more years to Triple J and our customers.

Reflecting on his time with the company, he recalls, "When I first started working here, we used to work in a small shop, container. Today we have a first class top-notch work environment."

FROM THE CHAIRMAN'S DESK

Each year that passes seems to have its own character, and as I look back over the past twelve months, I know that it has been about as full a year as I can remember. Christmas still remains a time for reflection and a rejuvenation of hope for the future.

I am continuously aware of how much our organizational successes rest upon our hard working and committed staff members. Every employee past and present, every client/customer past and present, friends and partners have contributed to the success of Triple J.

This month we recognize Davey Camacho who has served our group for 30 years. Back in 1981, Davey was with DMS under J&G Corporation as a lot attendant under the Used Car division in Nissan until I established the Subaru division in 1984 with Triple J Motors, and where Davey remains with us today, serving Honda's and Acura's.

I would also like to take the opportunity to thank each and every one of you for your support and dedication to our group of companies, such a great team of people throughout the region who remain focused on putting our customers first.

This was a year of achievements for our group as a whole. Our 30th anniversary activities were joyous, but they also seemed to evoke something more lasting and profound, a sense of belonging and pride in our workplace, and in our community and throughout Micronesia.

A new year holds promise and a chance to make things different and better.

Let us evaluate the past year and ask ourselves, "Did we give it our best? Can we do better?" Perhaps we can use the Christmas season to repair relationships, develop new ones and spur ourselves to achieve even more than what we have in 2014.

In your own personal space, create your family traditions this Christmas. If you have moments that you want to be remembered, then begin to celebrate it and let the memories create lifetime stories for future generations.

May we be ever mindful of the spirit of caring, sharing, love and generosity that Christmas brings.

I offer my best wishes to you and your families, for success, good health and happiness throughout 2015.

COMMUNITY HIGHLIGHTS

9th Annual Triple J Family "THESE COLORS RUN" Fun/Run/Walk

In conjunction with our 30th Anniversary Celebration, we are excited to have brought back a splash of color to Upper Tumon! "THESE COLORS RUN" that Triple J had started during last years Fun/Run/Walk has become a rave on Guam and continues to stress happiness over competition, with a paint-blasting station at each kilometer. "THESE COLORS RUN" encouraged participants to wear white, ensuring the paint-splattered clothing they wore home are their trophies. It's about enjoying life, something everyone can do, and it provides instant, healthy, communal gratification. There were six color stations, and used 1,000 lbs of color for this years run. This guaranteed that participants were happy, had fun and didn't worry about getting messy! Nearly 3,000 enthusiastic runners participated in this years run.

A heartfelt THANK YOU goes out to our main sponsors: Take Care Insurance, Bank of Guam, First Hawaiian Bank, Aon Insurance, and Mobil. Because of their kind support, \$32,000.00 was raised on event day.

The beneficiaries' chosen for this year event was based on criteria weighing the importance of the services and programs provided for our community.

Guam Cancer Care - Was created for the primary purpose of bridging the gaps in services that our local cancer patients face. Their key objective is to provide direct services to cancer patients, with an immediate vision of helping save lives, one person at a time.

Boys Scouts of America - Service above self is one of the many good traits that Scouts put in to practice in their daily lives. With the host of current issues island youth encounter, it is important to increase Boy Scout activities and to promote even more boys to become Scouts. Eight outreach units serve Guam in different locations. Their ultimate goal is to increase awareness and expand Scouting in our communities.

"Triple J's "Customers First" commitment extends to our community involvement. For 30 years, we have strived to improve lives and build better communities -- through our philanthropic contributions, voluntarily (with time and personal involvement), and various nonprofit causes, and to individuals too." said Jeff Jones, President of Triple J Enterprises, Inc.

See you at next years' "THESE COLORS RUN"!
