Relay For Life

Relay for Life was a great success! Thank you team for the awesome turnout and support. Triple J Cure Driven raised over \$50k and is the third highest fundraising team behind 76 and Bank of Guam. Well done! Along with that we, for the 2nd year in a row, took home the award for MOST SPIRITED TEAM, BEST TENT, MOST LAPS AND OVER-ALL RECYCLING. Not to mention we won several on site activities and we had the best Barbeque from Outback. This annual event was held on the newly renovated GW Track on the night of May 29 and ended on the morning of the 30th. Each year we encourage all to participate no matter the scale and this year was another amazing turn out of employees who brought friends and family members to join us in raising awareness and supporting our survivors and our dearly beloved. We hope to continue the tradition again next year!

MISS MARIANAS

Newly-crowned Ms. Marianas, Jian Joyner drove off in a brand-new, 2015 Hyundai Elantra GLS coupe. The bigger, Elantra 4-door sedan was named the North American Car of the Year at the 2012 North American Auto Show and has been one of Saipan's best-selling sedans since 2012. The 2-door coupe that Ms. Joyner is driving is a unique, sporty offering perfect for a sophisticated-yet-hip, younger generation and comfortably seats five passengers.

Equipped with a fuel-efficient, yet powerful 2.0 liter, 173-horsepower, 4-cylinder engine, Ms. Joyner will enjoy the fuel-economy of approximately 30 miles-per-gallon on Saipan's island roads. The Elantra GLS coupe holds an EPA highway fuel-rating of up to 34 mpg and has a 6-speed, electronically-controlled automatic transmission. She will also enjoy the convenience of remote, keyless entry with power windows and locks.

For safety, Ms. Marianas can drive secure knowing that her Elantra is equipped with six airbags; two on the dash, one on the side of each front seat and side air curtains offering head protection to occupants of both rows of seats. The Elantra GLS coupe also has front-and-rear anti-lock disc brakes and a factory-equipped back-up camera and monitor for safe backing out of driveways and parking spots.

For entertainment, the Elantra GLS coupe is equipped with an AM/FM/CD/MP3 stereo with six speakers. Ms. Marianas' car is also equipped with USB and auxillary ports as well as Bluetooth so she can plug in a flash drive or connect her phone to play her favorite music.

Saipan

On December 1, 2015, Mr. Bob Jones thought it would be a great idea to bring in items from Kmart Guam to Saipan for the holidays as it would be an option for Christmas shopping. What was just an idea for holiday shoppers has flourished into a very successful three-day a week retail operation. For two and half years now, Saipan shoppers have looked forward to the Triple J Truckload Store opening every Thursday, Friday & Saturday to see what's new from Kmart. We've since purchased items from China and the ASD Show in Las Vegas to add more variety for our customers.

We just completed work on 2 water "catchment" systems – as one had actually burst, and ruptured, spilling out hundreds of gallons of water, all over the street! No one was hurt during this dramatic episode, and with the aid of Mr. Jones, he was able to order 2 new catchment systems so we can retain water to operate our laundry facility located next to the grocery store.

Is it a bird? Is it a plane??? No - it is 2 – brand new yellow school buses!!!! Just in time for the new school year – 2 brand new yellow school buses have journeyed all the way from the state of Georgia, so the Island can bus all the kids located around the Island! Through the efforts of former Asst. Mgr. Scott Paul, and assistance of Triple J Motors Guam, Charlie Reynolds, Mike Burgess and others – these 2 buses have had quite the journey, and will be busy this new school year, as they have arrived and will soon do their job, with great pride.

"HOOT HOOT!"

Happy 60th birthday to our very own Bill Belger! Outback's "Bill the Bartender" turned 60 on July 4th. Bill was born and raised in Los Angeles, CA. He moved out to Guam in 1991, where he worked various bar tending jobs including the Jungle in Anigua, The Hilton Tree Bar and Outrigger Poolside. In May of 1997, he found his home away from home at The Outback when we first opened our doors.

Selena Elicio from Outback said, "As Bill's manager, I have witnessed first hand his knowledge and love for his trade. Working more hours than any other employee, no one moves as fast or works as hard as him. Bill takes pride in every drink he makes and it shows. I have customers who demand that only Bill make their drinks."

So cheers to Bill! Thank you for the 18 years of dedication and hard work!!

Pacific Basin in Majuro would like to welcome Gina De Ramos on board as the new fast food manager. She has already upgraded the menu and added lots of new items. We are very pleased and looking forward to many more new items and upgrades.

Both John Mason and David Wagner have left the management team here on Majuro. Acting gm Bill Good would like to thank all the hard work being done by all the personnel here. It's impossible to name everyone, but a special thanks goes out to Lucky Kelen, Mike Wang, Maylyn Guiriba and Ryan Arriesgado.
